The closing of the 1970-71 school year marks the last time the Seniors will be assembled together as one group. It is a time of parting from the old, and boldly encountering the new. Next year the opening of the new Senior High School will bring an end to the system as we now know it. To those who will attend it, it will present new challenges and opportunities.

On behalf of the yearbook staff, I wish good luck and fortune to all on their new path which they will follow.

But first let's look back at what has happened. Recall the friendships, fights, victories, defeats, and experiences which have made up this year, the last at Saegertown Area Jr. Sr. High School.

IN MEMORIAM

MR. E. W. MICHAEL
December 12, 1917—January 1, 1971

On January 1, 1971, the entire community of the Saegertown Area was saddened by the death of E. W. Michael, a teacher of Science and Driver Education in the Saegertown Area School System.

Mr. Michael had been employed by the district since 1948. In September, 1967, his beloved wife, Bettina, passed away. Their only child, Chris, is a 1964 graduate of Saegertown Area High School, and of Hiram Scott College, Scottsbluff, Nebraska. Chris is presently employed by the Lyman School District, Lyman, Nebraska, as a teacher and football coach.

Those of us who knew "Big Mike", students, faculty, and friends, will remember him fondly for his contribution to all our lives during his tenure at Saegertown Area High School.

70 Prom

The 1970 Prom entitled, "In the Misty Moonlight", was held at the Holiday Inn on the evening of May 23, 1970.

The entrance was framed in a daisy covered arbor. A watermill with a misty sky as a background flanked the left wall. The orchestra flanked the other wall. Refreshments were served by the prom aides under the silvery moon and the stars. Punch was served from the picturesque wishing well.

Dave Thomas and Linda Schlosser were crowned King and Queen of the prom. Even though the weather was damp, the evening was a big success.

The Saegertown Panthers took third in the Crawford County League with six wins and three loses. During two of our major games, three of the first string were unable to play due to injuries. Five Panthers were injured during the season.

The 70-71 football team had nine seniors and quite a few lettermen. With all this experience, the Panthers were bound to be terrific. They gained a total of 2330 yards, averaging 260 yards per game. They intercepted 14 passes. During the 70-71 season, the Panthers totaled 176 points and allowed only 86.

Eight of the Saegertown Panthers made the All County Team. On the first team offense, there were; Art Green, Terry Mulligan, and Tom Bahurinsky. Paul Gall was on the second team offense. Art Green and Tom Bahurinsky also made the first team defense. Paul Gall, Terry Mulligan, Al Price, and Chuck Baker were selected for the second team defense. Jeff Shorts and Dave Stearns made Honorable Mention.

The Panthers are losing Chuck Baker, Charles Zirkle, Art Green, Terry Mulligan, Jeff Shorts, Paul Gall, Don Miller, and John Holowid because of graduation. This may hurt the Panthers but seven lettermen will remain. They are: Dan Bidwell, Al Trace, Al Price, Doug Luikart, Don Diley, Dave Stearns, and Tom Bahurinsky. There will be others with experience returning for the 71-72 Season.

The Saegertown Junior High Football Team participated in an unofficial league consisting of six other schools in the county besides Saegertown. The Junior High Team's final record for the season was four wins, one loss, and one tie game. The Seventh and Eighth Grade Team played four and won two of them. With fifty per cent of the games won, the outlook for next season is quite promising.

A change of pace came when Miss Lang began coaching our football cheerleaders. The techniques learned at Smith-Walbridge Camp were used along with our victory bell to raise the Panther's spirit to its height. Pep assemblies shook the school with each class competing for the Spirit Award. One of the excitements of the season was the Hayride and Bonfire. Credit must be given to Miss Lang and the cheerleaders who led our guys to the top.

Homecoming 1970

It was Friday, October 16, 1970, Homecoming! The Panthers would meet the Blue Devils in this evenings game. But first a queen must be crowned to regin over the event.

The excitement and tension arose as Colette Froelicher, Judy Groves, Becky Landis, Kathy Sloat, and Stephanie Weaver were escorted into the gym by Terry Mulligan, Chuck Baker, John Holowid, Ken Prutzman, and Don Miller. Against a beautifully decorated stage, the girls, dressed in formal gowns, were a lovely vision. Finally came the moment all were waiting for! Student Council President, Paul Gall, announced Colette Froelicher as our 1970-71 Queen! Flowers were presented by Dawn Schlosser and the crown was presented by Duane Schlosser to Paul, for the crowning. Tears streamed down Colette's cheeks as the band dedicated and played the song *Jean* to her.

The girls were presented at the game and escorted by Bob Brink, Jim Fox, Bill Simon, Mike Heyman, and Rick Haun. Our Panthers were victorious over the Blue Devils! A semi-formal victory dance followed the game. So ended a very successful 1970-71 Homecoming.

The 1970-71 basketball season was a rebuilding year for the Saegertown Panthers. The team was coached by varsity coach Mr. Richard Zirkle and the Junior Varsity Coach, Mr. Dennis Daugherty. It was small, composed of three seniors, three juniors, and six sophomores. It was stated earlier in the season that if our team was to be successful they would have to really hustle, and have a desire to win. Although they tried very hard, the Panthers placed one step from the league bottom.

The first part of the season was discouraging without any league victories. However, their efforts paid off during the last half of the season. The team improved, and chalked up two wins.

Next year should prove to be interesting with the return of the entire Varsity team with the exception of the three graduating seniors. The team never gave up hope, and is optimistic about next season.

International Fellowship, Inc.

The International Fellowship student exchange program, in its third year at Saegertown, has been very active this past year. Since June, 1970, several students have come and gone. First to arrive during the summer was Seniorita Maria de la Parra, from Mexico City. Maria made her home with both the George Davey family and the Richard Baker family. Pictured at the right is Maria with her exchange sister Jo Anne Baker. Maria arrived in June and departed on September 4th.

Other student activities of I.F.S. follow on the next two pages.

. . . in Brazil!

John's Summer Home.

Early in June of 1970, John Holowid packed his carpet bags and steamer trunk and headed for the steaming wild jungles of South America's largest country, Brazil.

Much to his dismay, but later his pleasure, our adventurer found himself in the midst of a bustling metropolis, dodging taxi cabs instead of headhunting tribesmen's curare darts.

John spent much of his summer in the city of Sao Paulo, Brazil. This great industrial city, with a population around six million, is South America's largest city.

During the month of July, John spent 3 weeks on an island near the seaport of Santos. Here, besides practicing aquatics and various aspects of night life, John enjoyed the Brazilian beach scenery.

John also spent a week in Rio de Janeiro, Brazil's former capital city, and a week exploring river valleys near Paraguay and Argentina.

. . . in Chile!

Another International Foreign Exchange student to visit South America this past summer was Dora Davey. She lived in Concepcion, Chile with Marily C. Claramunt and her family, for a three month period. While there, she visited climates from desert to glacier, all contained within the Chilean border, stretching for over 3,000 miles. The people were Europeans and Indians. Dora had a great summer learning about different cultures.

Pictured below from left to right: Mr. Claramunt, Mrs. Claramunt, Dora, Mari Carmen, Marily, Raulito.

. . . and in Saegertown, a visitor from Peru!

Srta. Silvia Liliana Vivanco, Lima, Peru.

Mr. and Mrs. Florencz H. Froelicher, of Saeger Heights, on December 30, 1970, became the foster parents of Senorita Silvia Liliana Vivanco, our International Foreign Exchange student during January, February and March. "Tiksha", as she likes to be called, came to us from Lima, Peru. Peru has, among other interesting attractions, the famous Macchu Picchu ruins, Lake Titicaca, highest navigable lake in the world at 15,000 feet above sea level, and an occasional severe earthquake.

Tiksha likes her new sister, Colette, and her family, very much. She likes our school and speaks English very well. Her native language is Spanish. While in the United States, she was able to make a tour of New York City and Washington. She was very much impressed with these cities because she "had seen pictures of these famous places" and now she was visiting them!

Tiksha has 2 sisters and 2 brothers. Her father is employed as an engineer in industry. Tiksha plans to attend a university to become an architect of buildings, what we in the United States know as an interior decorator.

1970 Saegertown Area High School Marching Band

The 1970 Marching Band was quite active this past summer. Two weeks after school finished, they began drilling under the supervision and guidance of Mr. Charles Cavette and Mr. Richard Orr.

In July they were invited to march in several parades. The first was at Northeast, where the band took second place. The second was at Saxonsburg, and Saegertown came in first place. At the end of July the entire band attended band camp at Thiel College. Here they learned several new routines.

During the month of August they competed at Cambridge, and returned home with first place honors. Later in the month they marched at Kennywood.

During football season the band marched at all Saegertown football games both home and away. They also marched at Thiel College's Homecoming game. At the end of October the band marched in the Halloween Parade held in Meadville, and won second place.

Pictured at the right is an example of the new combination marching and concert uniform that is the goal of the current fund drive being pursued by the band members.
